# Hefner Corner

VOLUME II, ISSUE I

JANUARY 22ND, 2018

## 2<sup>nd</sup> Semester

Christmas is over! Kids are getting back into a school schedule. Many things are happening this semester. There is a coat drive, group pictures, we are now getting a grade for star, and now teachers are not going to be so easy on us. Also there are auditions for the step team. On Wednesday we are having a pep rally where the school stomp team will perform after the cheerleaders. As we all progress in this semester we learn not only to be determined but to also be willing.

## Soccer Tryouts

With Soccer tryouts coming up soon you can talk to Coach Gerst or Coach Walsh. Soccer is a fun sport and if you like to play come and tryout for the Hefner soccer team. 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grade are all welcome to tryout. Tryouts will be held in about 2 weeks. You can get a paper from the Coach Gerst or Coach Walsh to know the times and more.

Emberly

## Hefner G.I.R.L.S

Every Thursday morning from 7:10 until 7:25, all girls that choose to participate will gather in the small gym where Ms. Pence will talk over girl topics and things that teenage girls have to face in middle school and High school. We hope to see you there.

## Cheerleading

Our Hefner Viking cheerleaders have done an outstanding job cheering on all our sports. They come to every home game and cheer for 4 hours straight, and during every half time they perform a routine. They are very well committed to their team and always do great on communicating. Our cheerleaders have worked their butts off getting in shape, learning cheers over and over again and most importantly not giving up. Cheerleading can be a difficult sport to be head on with they have be throw around and hope they don't get dropped or mess up in front of everybody. They have continued to go hard even though there is very little time left to cheer they have decided to keep pushing and going hard.

Maicyn

“A person that wants to lead, must turn his back to the crowd.”

*“To catch the reader's attention, place an interesting sentence or quote from the story here.”*

Its not how talented you are. Its how hard you work and keep going.

## HMS Art Club

Hefner's Art Club is definitely one of its most fun after-school activities. Art Club is held in the art room, B108, from 2:35 to 3:00. As soon as students arrive, they're supposed to be drawing, painting, or even doing clay work. It

costs five dollars to participate in Art Club for a semester, and ten dollars for the entire. If you're a young artist, this is probably the club for you! While it is nearing the end of the year, it is never too late to join.

## Spring Sports

Student athletes are getting ready for the next sports season where soccer and track are getting ready for their games. Soccer had a meeting on Tuesday regarding the season

with coaches Gerst and Walsh. Track is starting up soon, see coaches Grange and Pence for more information for this coming season. Good Luck to the Track and Soccer teams with their upcoming games!

## Star

Star stands for students taking academic responsibility. Star gives students an extra hour a week in each class! For example: one extra hour of math on Monday, one extra hour of science on Tuesday, and so on.

That extra hour a week really gives students a chance to academically improve. Star has been going on from first semester and now going into are second semester. The only difference in second semester is teachers will be giving grades for star

## Orchestra Article

Orchestra started working on new music right before break. They knew they would have to work harder than ever since the concert was in a month. These students have been working very hard and they are excited to perform. The concert is on January 30<sup>th</sup>. It will be at Putnam City North High School. Please come out and watch to support our Hefner Vikings.

Katie

projects. This is because students have not been taking star seriously! Student's, now is the time to really take advantage of star and earn more knowledge as well as a good grade for the class.

# Staying warm this winter

shutterstock - 158138381

The weather has been very cold lately and students complain about it by not wanting to go outside for lunch. Everybody should

bring a jacket to school everyday or keep a coat in their locker just in case. And if students still want to look good, they can always layer clothes! So they can look good and be warm at the same time. Being safe from the cold is important. Catching a cold during school means you'd

have to stay home and miss lessons or work. Be sure to stay safe and bring a jacket!

Nei

**“Thankful & Grateful... Today & Everyday!!”**

## Basketball

Basketball season is coming to an end. There are only four games left. Each team has worked very hard to overcome past defeats and pushing their selves to new boundaries. The coaches have been pushing them to get their grades up and holding them accountable

for their actions. Here at Hefner we push that sports are extracurricular activities and they teach you way more than just the skill of the sport. Getting along with your teammates, becoming unselfish, pushing each other and those are just to name a few of the characteristics that are being

coached. Coaches want them to carry on the appropriate behavior throughout the year. Being a student athlete NEVER ends, it's a life style. Come out Monday 22<sup>nd</sup> and Tuesday 23<sup>rd</sup> to support our Lady Vikings and Vikings on their last home games.

Paige

## Choir

Congratulations to our Hefner choir! They competed at Owasso high school and won superior for the boys and girls. They have worked very hard and sacrificed their lunch time on some days to go and practice and all that prac-

tice finally payed off. We are all very proud of them and all their hard work, and earning another win for not only for Hefner for themselves and everyone that was apart in helping the Hefner Choir. Again congratulations to

the Hefner Choir you all had a great one; we can't wait to see what you all will come up with next year!

# 8th Grade Memory Ads!!!

## **8th Grade Memory Ads**

Attention all parents! Buy an 8<sup>th</sup> grade memory ad. Put your eighth grade student's baby picture in the yearbook or any pictures. Make a sweet little memory note under their picture. This is only for eighth grade students. Buy a fourth of a page for \$40 or half of a page for \$70. Fourth of a page comes with two to six pictures and your sweet little letter to your child. Half of a page comes with up to twelve pictures and your sweet little letter to your child. Email Ms. Pence at [cpence@putnamcityschools.org](mailto:cpence@putnamcityschools.org) with all the information you would like to say and the pictures you want on the memory ad, or you can drop them off in a zip lock bag to the front office. Get yours while the spaces are open now! Due NO LATER than Feb. 2<sup>nd</sup>!!

**Also the deadline to order a yearbook is Feb 15<sup>th</sup>. They are now \$40!!**

**GET YOU YEARBOOK AND AD WHILE SPACES LAST!!!**
