MESSAGE FROM THE PRINCIPAL

Welcome to Putnam City Academy SOAR. I hope that this year will be filled with many learning opportunities for you. Be prepared to work hard and become successful.

We believe that school should be a safe place where everyone feels comfortable. If it is, you will enjoy coming, and you will learn more.

In this handbook, you will find very important information regarding school policies that relate to: attendance procedures, graduation requirements, discipline procedures, and other pertinent items. Read all items carefully. Students are responsible for knowing the contents of this handbook.

We are dedicated to helping each of you find your special talent and preparing each of you for a bright future after high school.

Again, welcome to the beginning of a great year!

Shelly Roper

HANDBOOK DISCLAIMER

This student handbook is composed of most of the rules and regulations that students need to know while attending Putnam City Academy. However, it does not include every rule, regulation, qualification, or other relevant information of the district or building. Putnam City Schools will not waive students' responsibilities simply because a state regulation, district, or building policy is not included in this handbook. We will make every effort reasonably possible to see that students are informed either verbally or in writing. However, it is the students' responsibility to know the rules that they must live by at Putnam City Academy.

Students and/or parents wishing to see the policies and standards for the school district and/or building may view a copy of these documents in the principal's office. In addition, District policies and regulations may be viewed on the Putnam City Schools website at www.putnamcityschools.org.

Any changes made in state law and/or School Board Policy, after this handbook has gone to press, may require information in this handbook to be amended. An addendum reflecting changes in policy or state law will be issued as soon as possible. We apologize for any inconvenience this may cause you or your student. This does not exempt parents or students from making themselves aware of rules and policies outlined in this handbook. Please feel free to call the school at 495-8838 if we can be of any assistance in questions you may have.

Academics

The entire staff of Putnam City Academy is dedicated to providing our students with the very best academic experience to ensure that they become productive citizens. Parents are encouraged to take an active role in the educational process, and to communicate openly with teachers, counselors and administrators in helping to provide maximum educational opportunities for the students at PCA.

STUDENT IN GOOD STANDING

A student in good standing is a student who:

- Is passing all classes and not on academic probation,
- Has not been suspended from school,
- Has regular attendance.

A student must be in Good Standing to participate in privileges and activities, both during school and extracurricular activities.

DISCIPLINE

Students should know what is expected of them in terms of behavior and in terms of education. Students should be treated fairly and with proper due process, but there should be no question that the teacher is in charge of the classroom, and the principal is in charge of the school. While the school should make every effort to help students with problems, those problems can never be allowed to interfere with the education of the rest of the students.

Putnam City has one basic rule of conduct. We desire that all students accept the responsibility of "self discipline." Students are to conduct themselves as young ladies and gentlemen at all times.

When a student demonstrates that he/she cannot conduct himself/herself in a positive manner, and infringes upon the rights of others to enjoy the freedom of self-discipline, he/she must face the consequences of disciplinary action.

Expectations for Classroom Behavior

The classroom is certainly the most critical area of an educational institution, and your teachers will insist that your behavior and attitude in the classroom reflect the importance of the serious business of learning. More specifically, they will insist that you:

1. Arrive to class on time.
2. Are prepared for class with all materials necessary for class that day.
3. Are attentive to the task at hand until dismissed by the teacher.
4. Show respect and consideration for others
5. Demonstrate care and consideration for school property and the property of others

Each teacher will establish the rules and procedures for his or her classroom. Students are expected to observe those rules and to respond promptly to the directions of the teacher. Steps taken by a teacher prior to an office referral (for minor offenses*) include:

1. Verbal or written warning
2. Phone call to parent
3. Teacher assigned consequence with parent contact (phone, e-mail, or mail)
4. Double teacher assigned consequence with parent contact
5. Office referral with detailed actions taken by teacher prior to referral

*Severe offenses will require immediate action.

Consequences of Inappropriate Behavior

If you violate the rules of Putnam City Academy, certain consequences will follow. An administrator depending on the severity and/or frequency of the offense will determine the specific consequences.

1. Detention

You may be assigned a detention either before or after school. The sole activity permitted during detention is silent study. Failure to complete detentions within one school day will result in (for each overdue detention) further consequences.

2. Saturday School

You may be assigned a Saturday School by an administrator. This program allows students the opportunity to fulfill disciplinary consequences without missing valuable class time. Saturday School is held from 7:45 – 10:45 a.m. each Saturday at Putnam City High School. The sole activity allowed in Saturday School is silent study. Students are denied admittance if they do not bring sufficient study materials, or if they arrive late. Failure to report to Saturday School or failure to follow the supervisor's directives will result in loss of privileges, (ex. driving/parking privileges, dances, etc.) and/or alternate consequence. Saturday School may be rescheduled, at the discretion of the assistant principal, one time during the semester if the request is made in advance of the assigned date.

3. Loss of Privileges (LOP) / Student in Good Standing

As you advance through Putnam City Academy you may receive certain privileges. However, you will forfeit these privileges and be assigned consequences if you do not comply with school rules. Failure to serve consequences will result in an In-School restriction or Out of School Suspension and an extension of the Loss of Privileges. Along with other privileges, seniors who engage in conduct that endangers others, disrupts the educational process, or vandalizes the school in the name of "senior pranks" will lose senior privileges including Prom, Senior Party, and Graduation Exercises. **YOU MUST RETAIN A SATISFACTORY DISCIPLINE, ATTENDANCE, AND ACADEMIC RECORD IN ORDER TO RETAIN PRIVILEGES.** Students become eligible for privileges beginning their freshmen year.

4. In-School Restriction (ISR)

The length of an In-School Restriction may vary from one period to ten school days. The sole activity permitted in this room is silent study. All of the provisions listed under “expectations for classroom behavior” apply to the ISR Assignment. In addition:

- * You will be allowed to leave the room only during specified restroom breaks.
- * You must bring your lunch or money to purchase lunch from a limited menu.
- * You must complete all assigned course work.

Failure to comply with any of these provisions will result in an extension of the ISR Assignment, Loss of Privileges, (including parking, etc.), and/or a suspension.

5. Evening ISR

If you are assigned to evening ISR, you must report no later than 3:00 p.m. and remain there until 7:15 p.m. The sole activity permitted in this room is silent study. All of the provisions listed under “expectations for classroom behavior” apply to the evening ISR assignment. Failure to comply with any of these provisions will result in an extension of the ISR assignment, Loss of Privileges, (including parking, etc.) and/or a suspension.

6. Suspension (OSS)

According to the School Code of Oklahoma, a student may be suspended for up to ten days for "gross misconduct and disobedience." (See section entitled "Student Rights" for information on your rights in regard to suspension.) **IF YOU ARE SUSPENDED FROM SCHOOL, YOU MAY NOT BE ON THE CAMPUS OR ATTEND ANY SCHOOL FUNCTION FOR ANY REASON.** Failure to observe this regulation is considered criminal trespassing and may result in prosecution.

7. Police Referral

Acts, which are illegal under the Criminal Code of Oklahoma, will be reported to the police. This referral does not, however, forego the application of school disciplinary action for the same incident.

8. Referral to the Office

If you should continue your inappropriate behavior despite the prescribed efforts to correct it, or if you should commit a serious act that disrupts the school or endangers others, you may be referred to the office. The Principal will initiate a thorough review of your behavior, and will determine the advisability of your remaining in school under your current program.

See: Teacher Discipline Procedures/Steps

9. Long Term Suspension

In cases of repeated or extreme anti-social or illegal behavior, the Principal may recommend to the Board of Education that long term suspension proceedings be initiated. The Board has the authority to suspend a student for up to two years.

Points of Pride Putnam City Schools from 2016-2017

Since 1914 Putnam City Schools has been known for excellence in education. Our students benefit from innovative programs taught by dedicated, passionate and experienced educators. Parents, local businesses and the community at large support the educational process at every turn. Many of our schools and educators have won national awards. Our awards and achievements for the 2016-2017 year include:

Boren as "Oklahoma's most rigorous academic competition."

Carla Young of Putnam City West won the award in December and Linda Frantz of Rollingwood Elementary won the award in January. Each was presented with a proclamation from the Oklahoma City Council.
- Kenneth Cooper Middle School was one of about 200 schools and schools districts in the United States and Canada to be recognized as a Model Professional Learning Community by Solution Tree, a leading educational strategies company. The award recognizes successful implementation of the Professional Learning Communities at Work™ process as a major contributing factor sustained success in raising student achievement.
- Celebrating its 30th anniversary, the Putnam City Schools Foundation's mission is to enhance and enrich the educational opportunities of children in Putnam City Schools. In that time the foundation has supported programs that honor teachers and students for their outstanding work, offered thousands of dollars each year for training and curriculum to building leaders, provided ways for parents to become true partners with teachers through Early Birds and English language classes, and challenged children to be more creative and career-ready in STEM labs all across the district. This year alone, the Putnam City Schools Foundation donated more than \$110,000 back into the district for a variety of projects, including a MakerSpace Lab at Putnam City West High School, a bus to the Lego competition regional tournament for Northridge Elementary, and substitutes for students and teachers to attend an all-female STEM panel. The Putnam City Schools Foundation meets the needs of students who need glasses, coats, and even Christmas gifts so that nothing stands in the way of their academic success.

PARENTS RIGHT TO KNOW

ATHLETICS/CONDUCT CODE FOR SPECTATORS

The following conduct code for spectators was drafted by the Oklahoma Secondary School Activities Association and should serve as a model for sports fans at all high school athletic events. Also, see *Event Expectations*.

BELIEVING THAT sportsmanship is a by-product of a spirit of tolerance and good will, and the centering of attention on the good qualities involved; and

BELIEVING THAT conduct is an important part of the school's athletic program, I pledge to act in accordance with these principles.

As An Athletic Spectator, I will:

1. Exemplify the highest moral character, behavior, and leadership so as to be a worthy example.
2. Maintain and exhibit poise, self-discipline, and restraint during and after the contest.

3. Conduct myself in such a manner that attention is drawn not to me, but to the participants playing the game.
4. Regulate my action at all times so that I will be a credit to the team I support, knowing the school gets the praise or blame for my conduct, since I represent the school the same as does the athlete.
5. Support all reasonable moves to improve good sportsmanship.
6. Treat the visiting team and spectators as guests, being courteous and fair.
7. Avoid actions which will offend the individual athlete.
8. Accept the judgment of the coach.
9. Honor the rights of visitors in a manner in which I would expect to be treated.
10. Respect the property of the school.
11. Display good sportsmanship by being modest in victory and gracious in defeat.
12. Pay respect to both teams as they enter for competition.
13. Appreciate the good plays by both teams.
14. Show sympathy for an injured player.
15. Regard the officials as guests, and treat them as such.
16. Direct my energies to encouraging my team rather than booing the officials.
17. Believe that the officials are fair, and accept their decisions as final.
18. Learn the rules of the game in order to be a more intelligent fan.
19. Consider it a privilege and duty to encourage everyone to live up to the spirit of the rules of fair play and sportsmanship.
20. Realize that privileges are invariably associated with great responsibilities, and that spectators have great responsibilities.
21. Obscene cheers, littering of basketball courts, the throwing of objects, and verbal indignities directed toward visiting athletes, spectators or referees have no place in high school athletics.

ATTENDANCE

Excused absences are those due to illness or personal injury, medical and dental appointments, court appearances, religious holidays, and family emergencies. No student shall receive an excused absence without proper documentation. Written or verbal communication from the parent or guardian may be considered acceptable by the principal for the first five (5) excused absences per semester. Additional absences will be considered unexcused unless official written documentation is submitted (ex: doctor's note, verification of a court appearance, memorial service folder, etc.). The Administration may provide appropriate consequences for unexcused absences.

Students may be dropped from enrollment for being absent 10 consecutive days or 15 parts of days without proper documentation for being out of school during a semester. Students will need to contact the District Attendance Officer and re-enroll through the District Enrollment Center before returning to school. Upon return, students could be placed on an attendance contract to assist them in being successful in attending school, maintaining grades and earning credits.

Tardiness: Tardy is defined for high school students as arriving after the start of each class period. Tardies are excused for illness or personal injury, medical and dental appointments, court appearances, or religious holidays, and require written documentation.

Early Dismissal: A student shall not be excused and dismissed from school before the end of the school day without an approved written request for early dismissal from the student's

parent or guardian or the approval of an administrator. Telephone requests for early dismissal of a student will only be honored if the caller can be positively identified as the student's parent or guardian. Additional precautions regarding excusing students from school may be taken as appropriate to the age of the student and/or as circumstances warrant. Students must remain in class until dismissed following site procedures.

Make-Up Work: A student shall have the same amount of time to make-up any missed assignments equivalent to the amount of class time that they missed for any excused or school activity related absence. This work may be completed and graded for full credit. In the event that a student is aware of dates that they will be absent from school, they are encouraged to obtain their assignments early.

Truancy: Putnam City's District Attendance Office works with all schools to ensure that all students attend school on a consistent basis. School and District Administrators may take reasonable measures to enforce the provisions of the State of Oklahoma's Compulsory School Attendance Laws. These measures may include school, district, and legal consequences. Putnam City's District Attendance Office works in conjunction with each school's Administration, and Law Enforcement Agencies from Bethany, Oklahoma City, and Warr Acres, depending on where a particular school is located, to enforce our District Attendance Policy, as well as Municipal Ordinances that pertain to school attendance. During the times when school is in session, any Police Officer may detain and assume temporary custody of any student enrolled in the District who is subject to these Compulsory School Attendance Laws, who is found away from home, and who is absent from school without excuse. Any student located in an area of the school other than the assigned classroom may also be considered truant.

CLASS ATTENDANCE

ALL STUDENTS ARE REQUIRED TO ATTEND SCHOOL ALL DAY. THE ONLY EXCEPTIONS WILL BE CONCURRENT ENROLLMENT, PEAK MENTORSHIPS, AND DECA OR SPECIAL EDUCATION WORK STUDY. NO WORK PERMITS WILL BE ISSUED FOR WORK DURING THE SCHOOL DAY.

BULLYING

Students are prohibited from bullying, harassing (sexual or verbal), threatening, or intimidating other students or school personnel. "Bullying" means any behavior, physical acts, verbal or electronic communication directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or education of any student.

The following steps shall apply to the investigation of reported incidents of harassment, intimidation, bullying, or threatening behavior:

1. If any person is aware of, observes, or is a victim of bullying, harassing, threatening, or intimidating behavior or communications from a student, such person must report the behavior or communication to the principal of the school on the appropriate form.
2. The principal will gather the information the principal deems necessary and evaluate the incident to determine the severity of the incident and the potential for future violence.
3. After completing any necessary investigation, the principal shall determine if the student accused of bullying, harassing, threatening, or intimidating behavior or communications engaged in prohibited conduct and, if so, shall determine the appropriate discipline.

4. During the pendency of the investigation, the principal may take appropriate action to ensure the safety of all students or school personnel involved.
5. If warranted, the principal shall notify law enforcement of the reported incident and cooperate with any law enforcement investigation.
6. If the student's actions are determined to constitute prohibited harassing, intimidating, threatening, hazing, or bullying behavior or communications, the principal may, as a condition and part of any disciplinary action that is taken, recommend that available community mental health care options be provided to the student.
7. The principal may further require the student (if 18 or over) or the parent or guardian of the student to allow the mental health care provided to disclose any information concerning the student who has received mental health care for conduct which indicates an explicit threat to the safety of students or school personnel as a condition of being allowed to return to school.
8. The principal may also require that the student and the student's parent or guardian meet with the principal, a school counselor, and other appropriate school personnel before being allowed to return to school.

CAMERA SURVEILLANCE

Surveillance Videos: The District utilizes video cameras to enhance its security operations. Video cameras may be placed in buses, hallways, parking lots, common areas, cafeterias, stadiums, auditoriums, and any other except locker rooms and bathrooms. These video cameras are monitored and are under the control of the District's Campus Police Department. The District's Campus Police Department is responsible for the creation and maintenance of any surveillance videos. Building principals may request copies of any recording made by any surveillance video cameras from the Campus Police Department.

Surveillance videos are NOT considered to be educational records of students, unless used for disciplinary action on a student, which are protected by FERPA.(not subject to Open Records Act) but are considered to be records of a law enforcement unit. As records of a law enforcement unit such records are not subject to the right of inspection by subject to disclosure under the Oklahoma Open Records Act. Surveillance videos may be used in disciplinary actions against students and employees and may be publicly disclosed during such disciplinary proceedings.

Videos will not be retained unless the District's Campus Police Department determines that a video is needed. Any requests from the media for copies of videos are to be handled by the Communications Director. All other requests for copies of videos should be submitted to the Campus Police Department. The District shall have discretion as to the release of surveillance videos.

CHILD NUTRITION PROGRAM

The Child Nutrition Department provides meal service at all Putnam City Schools. All meals served follow the guidelines of the National School Lunch and the National School Breakfast Programs. Due to HHFKA guidelines, all students will be required to take a serving of fruit or vegetable with all meals.

A computerized cashiering system is used for all students in the cafeteria. Students will enter their student I.D. number assigned by the school district to purchase meals or any food items.

The following information has been compiled to answer some of your food service questions. Please feel free to contact your school cafeteria manager or the Child Nutrition office at (405) 495-0184 to address any other questions.

What are the secondary school meal prices?

Lunch	\$2.60
Reduced price Lunch	\$.40
Breakfast	No Charge

How do I qualify for Free or Reduced Price Meal Benefits? Free and reduced price meal applications are sent home at the beginning of the school year and are available to all students throughout the year. Parents may resubmit applications if family circumstances change during the school year. Once an application has been approved it is valid for the current school year only. Applications can be obtained from the cafeteria manager, at the Child Nutrition Office or at www.heartlandapps.com. Please contact the Child Nutrition Office at (405) 495-0184 if you have additional questions.

- Applications must be processed, eligibility determined and approval notification made before students receive free or reduced price meals. This process may take up to 10 business days. Students are responsible for paying full price for all meals received prior to application approval.
- Charging of meals is not allowed at the high schools.

Account Prepayments: Two payment methods are available:

- An on-line payment option is available at www.myschoolbucks.com. You will need your student's ID number to set up an account.
- Students or parents may also bring checks/cash to the cafeteria manager before classes any school day. Writing the student's name and/or I.D. number on your check will assist the cashiers in crediting the proper account. Please make checks payable to the school cafeteria.
- Money credited to the student's account may be used to purchase lunches, breakfasts, and a la carte items. If you prefer to restrict the purchase of a la carte items, please note MEALS ONLY in the memo section when making payments to the student accounts.

The principal may designate an employee of the school of the same gender as the complainant to investigate claims of gender discrimination.

Pre-filing Procedures:

Prior to the filing of a written complaint, a student complainant is encouraged to visit with the Site Compliance Officer and to make a reasonable effort to informally resolve the problem or complaint.

Procedures for Filing Complaint:

If a student or employee complainant desires to proceed with a complaint, then, within twenty (20) days of an alleged violation, a student complainant shall submit a written and signed complaint to a Site Compliance Officer, and an employee grievant complainant shall submit a written and signed complaint to the District Compliance Officer. The complaint shall, at a minimum, state the complainant's name, the nature of the alleged violation, the date of the alleged violation, the names of persons responsible, or any witnesses, and the requested action or relief sought.

In addition to taking action with respect to a written complaint, a compliance officer may investigate allegations of discrimination without a written complaint according to the procedures set forth in the policy whenever a compliance officer deems such action to be appropriate.

CLASS RANKING

The Board of Education and Administration believe in excellence in education. The focus of the entire school program is on the students and ways students can be encouraged to reach out and to prepare for a successful future in a complex world. In order to assign proper weight to Advanced Placement programs which go beyond basic requirements, class ranking will be determined as follows:

1. All classes will earn a maximum grade point of 4 for an "A".
2. A "simple average" of the grade points from all classes for a student will be calculated
(adding grade points from each class and dividing by number of classes). If a student has not taken Advanced Placement courses, the process ends here.
3. Students taking Advanced Placement courses receive an "Honors Courses Adjustment" (HCA) for each Advanced Placement course in which they receive a passing grade. Advanced Placement and Pre-Advanced Placement courses are recorded based upon a 5-point scale.

CODE OF CONDUCT

Student behavior in the Putnam City Schools is based on respect and consideration for the rights of others. Students have a responsibility to know and respect the rules and regulations of the school. Students have the further responsibility to behave in a manner appropriate to good citizenship everywhere.

COLLEGE NIGHT

Putnam City Schools will be hosting the West Metro College & Career Fair during the fall semester in conjunction with Francis Tuttle Career Technology Center. Students can register for college fairs (outside the district) at: <http://gotocollegefairs.com>. All juniors, seniors, and their parents are urged to attend one or more functions for orientation to colleges and universities in Oklahoma and out-of-state. In past years, over 75 colleges and universities have had representatives available to give information and materials, and to answer questions regarding their particular college.

CONCERNS OF STUDENTS/PARENTS

A student or parent who has a concern should **first** bring the matter to the appropriate teacher or coach. If the outcome is not satisfactory, a call should next be made to a building administrator or athletic director. A conference can be scheduled, if necessary. If the outcome of the conference with the principal is not satisfactory, the next step would be to contact the Executive Director of Secondary Education.

CONCURRENT ENROLLMENT

A student enrolled in an accredited Oklahoma high school may, if he or she meets the requirements, be admitted provisionally to a college or university in the Oklahoma State System of High Education as a special student. A student admitted under these provisions may enroll in a combined number of high school and college courses not to exceed a full time college workload of nineteen (19) semester credit hours. For purposes of calculating the workload, one high school course equates to 3 - 4 college hours.

An 11th or 12th grade student must attend at least two (2) periods each semester at the high school. Concurrent enrollment courses may be counted as credit for graduation in addition to college credit, assuming that the student is enrolled at both institutions at the same time. Concurrent enrollment grades can be listed on the transcript by grade earned and will affect GPA.

Students who wish to enroll concurrently will enroll in a full school day. When the student can provide verification that he/she has enrolled and paid for these college hours, he/she will be released from the necessary classes. It is the student's responsibility to notify the school if he/she withdraws from these college courses. Failure to do so will revoke the releases from concurrent enrollment, and the student will not be allowed to be released a second time for this reason.

Students must provide concurrent transcripts to the registrar before enrollment will be approved for the next semester.

DENIAL OR CANCELLATION OF DRIVER LICENSE

School district attendance officers, upon request, shall provide documentation of the enrollment status of a student on a form which has been established and approved by the Department of Public Safety to any student under eighteen (18) years of age who is properly enrolled in a school under the jurisdiction of the attendance officer, for presentation to the Department of Public Safety an application for/or "reinstatement" of an instruction permit, restricted license or license to operate a motor vehicle. Whenever a student over fourteen (14) years of age and under eighteen (18) years of age withdraws from school, the attendance officer shall notify the Department of Public Safety of such withdrawal through a documentation of enrollment status form. Within fifteen (15) working days of receipt of such notice, the Department of Public Safety shall provide written notice by certified mail with return receipt requested to the student that the license of the student will be canceled or the application of the student will be denied thirty (30) days following the date the notice to the student was sent, unless documentation of compliance is received by the Department of Public Safety. After the thirty-day period, the Department of Public Safety shall cancel the driving privileges of the student.

"Withdrawal" means more than ten (10) consecutive days or parts of days of unexcused absences or fifteen (15) days or parts of days total unexcused absences during a single term.

DISCIPLINE

Students should know what is expected of them in terms of behavior and in terms of education. Students should be treated fairly and with proper due process, but there should be no question that the teacher is in charge in the classroom, and the principal is in charge of the school. While the school should make every effort to help students with problems, those problems can never be allowed to interfere with the education of the rest of the students.

Putnam City has one basic rule of conduct. We desire that all students accept the responsibility of "self-discipline." Students are to conduct themselves as young ladies and gentlemen at all times.

When a student demonstrates that he/she cannot conduct himself/herself in a positive manner, and infringes upon the rights of others to enjoy the freedom of self-discipline, he/she must face the consequences of disciplinary action.

DRESS CODE

Clothing and grooming must be such that it does not constitute a health or safety hazard. All students are expected to be groomed and dressed appropriately with respect to the following criteria:

Shirts/Blouses/Tops

- No spaghetti straps, halter tops, strapless shirts, or tank tops may be worn without an appropriate shirt underneath.
- Clothing and/or accessories that promote violence, gang activity, drugs, or alcohol are inappropriate.
- No low cut (front or back), transparent, see-through or muscle shirts can be worn; cleavage and midriffs can not be exposed.

Pants/Shorts/Skirts/Dresses

- Pants/shorts/skirts are to be worn at the waistline and should cover undergarments at all times.
- Skirts and shorts must be at least finger-tip length.

Accessories

- Accessories such as bandanas, do rags, gloves, hats, or sunglasses are not to be worn inside the building.
- While hoodies are acceptable attire, hoods should not be worn in the building due to security reasons.
- Footwear must be worn at all times. Note: House shoes should not be worn to school.
- No spiked or studded clothing and/or jewelry are allowed that would compromise the safety of student(s).
- No heavy chains or multi chains.
- Blankets are not allowed at school

There may be changes, interpretations or exceptions to the dress code as deemed necessary by administrators. These changes or interpretations will be dependent upon safety conditions or situations that develop. Any student deemed in violation of the dress code will be required to find clothing that meets the dress code. As a last resort, the school may provide an appropriate clothing item in exchange for the original clothing (if the school has something available). The

student can redeem their original clothing item when they return the school's appropriate clothes at the end of the school day. Failure to comply after a student has been asked to make corrections will result in disciplinary action.

If a student violates the dress code, a contract can be used as an agreement. Failure to uphold the agreement will result in an appropriate consequence.

ELIGIBILITY FOR ACTIVITIES

The maximum number of absences for ACTIVITIES, whether sponsored by the school or an outside agency/organization, which removes the student from the classroom shall be ten (10) for any one-class period of each school year. Excluded from this number are state and national levels of school sponsored contests. State and national contests are those for which a student must earn the right to compete.

Eligibility criteria for student participation in activities sponsored or sanctioned by Putnam City Schools:

1. A student participating in activities which occur during the school day must be passing in all classes in which he/she is enrolled. A student's scholastic eligibility depends upon his grade averages from the beginning of the term to the close of the school week immediately proceeding the week of the contest. It shall be the responsibility of the sponsor to make a grade check by the Thursday proceeding the week in which the activity occurs. The student will remain on probation or ineligible during the week following the grade check.
2. Activities which involve the entire student body or an entire class will not require an eligibility check. In these activities, all students will be expected to be in attendance.

Scholastic Eligibility: OSSAA scholastic eligibility standards are required of all students engaging in co-curricular activity programs. Local school boards may make exception for only those students participating in non-competitive activities.

Section 1. Semester Grades

- a. A student must have received a passing grade in any five subjects to be counted for graduation that he/she was enrolled in during the last semester he/she attended fifteen or more days. (This requirement would also be five school subjects for the 6th, 7th and 8th grade students.) If a student does not meet the minimum scholastic standard he/she will not be eligible to participate during the first six weeks of the next 18-week grading period they attend.
- b. A student who does not meet the above minimum scholastic standard may regain his/her eligibility by achieving passing grades in all subjects he/she is enrolled in at the end of a six-week period.
- c. Pupils enrolled for the first time must comply with the same requirements of scholastic eligibility. The passing grades required for the preceding 18-week grading period should be obtained from the records in the school last attended.

Section 2: Student Eligibility During a Semester

- a. Scholastic eligibility for students will be checked after three weeks (during the fourth week) of a semester and each succeeding week thereafter. School may choose to run eligibility checks on any day of the week. The period of probation and ineligibility will always begin the Monday following the day eligibility is checked. Methods should be devised to check weekly grades of career-tech students and all concurrently enrolled students. Schools may choose to run eligibility checks on any day of the week.
- b. A student must be passing in all subjects he/she is enrolled in during a semester. If a student is not passing all subjects enrolled in on the day of the grade check, he/she will be placed on probation for the next one-week period. If a student is still failing one or more classes during the next week on the grade check day, he/she will be ineligible to participate during the next one-week period. The ineligibility periods will begin on Monday and end on Sunday.
- c. A student who has lost eligibility under this provision must be passing all subjects in order to regain eligibility. A student regains eligibility under Rule 3 with the first class of the new one-week period (Monday through Sunday).
- d. "Passing grade" means work of such character that credit would be entered on the records were the semester to close at that time.

INTRA-DISTRICT TRANSFERS FOR ATHLETICS

Students entering 9th grade from a Putnam City middle school who desire to transfer to a Putnam City High school outside their attendance area without loss of eligibility for varsity/OSSAA athletic competition, shall have the opportunity to apply for said transfer provided application is made on or before May 15.

Any high school student who is making their first entry into the district and who desires to transfer to a Putnam City high school outside their attendance area without loss of eligibility for varsity/OSSAA athletic competition, shall make a request in writing to the Superintendent or designee who will form a review committee to determine whether or not eligibility requirements will be waived.

Students entering 9th grade from a Putnam City middle school who are approved for a transfer but fail to meet the May 15 application deadline, will be ineligible for varsity/OSSAA athletic competition for the 9th grade school year.

When a transferred student, enrolled in an OSSAA sanctioned sport, returns to their resident area school, the student will lose interscholastic athletic eligibility for (1) calendar year, beginning on the first day the student attends class at their resident school.

FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)

Family Educational Rights and Privacy Act Notice of Rights

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

- 1) The right to inspect and review the student’s educational records within 45 days of the day the District receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The school principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3) The right to consent to disclosure of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a person serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performance of his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the District discloses educational records without consent to officials of other school districts or post-secondary schools in which a student seeks or intends to enroll.

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U. S. Department of Education
400 Maryland Avenue SW

Notice to Parents and Students Regarding Directory Information

Note to Parents:

Please read carefully this notification of rights concerning the privacy of student information. If you wish to restrict the release of information about your child, please notify your child's school principal in writing.

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that the Putnam City Schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records.

However, Putnam City Schools may disclose appropriately designated "directory information" without your written consent, unless you advise the district to the contrary. The primary purpose of directory information is to allow Putnam City Schools to use this type of information from your

child's education records in certain school publications or media stories. Examples of these uses include:

- ◆ Honor roll or other recognition lists
- ◆ Graduation programs
- ◆ School directories
- ◆ Sports programs, such as for football, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to:

- ◆ Companies that manufacture class rings
- ◆ Companies that publish yearbooks
- ◆ Companies that provide tutoring

Putnam City has designated the following information as directory information:

- ◆ Honors and awards received
- ◆ Most recent previous school attended
- ◆ Student statements/quotes
- ◆ Photographs
- ◆ Audio or video tapes or files which identify the student's participation in and/or achievements earned in enrolled courses or recognized activities and sports.

The district will be free to release or use directory information as appropriate without prior consent, unless parents notify the school principal in writing within 10 days of the date of receiving this handbook that the above information should not be released without consent. Parents/guardians may write a letter or use a form available in the school counseling office.

STUDENT SEARCHES

As allowed by law, school officials have the right to question, detain, search or authorize the search of a student. A search will only be conducted if it is connected to a legitimate educational interest and is based on reasonable suspicion. In addition, any police officer in possession of a valid warrant or with probable cause may search a student's locker or vehicle.

Searches may include a student's person (emptying of pant pockets, checking of shoes/socks/coats/hoodies), property (back pack, gym bag, purse, car, cell phone, etc.), or school property assigned to the student (locker, desk, textbooks, athletic bags, etc.). All searches of a student's person will be conducted by persons of the same sex and under no circumstances will a strip search be conducted. Factors to be considered in making this determination include, but are not limited to: the age of the student, the nature of the alleged misconduct, the likelihood of truthfulness by the student, the credibility of the information leading

to the questioning or search of the student, the role of the student, the urgency of the situation, and the seriousness of the offense.

Students shall not have any reasonable expectation of privacy in the contents of school lockers, desks, or other District property. District personnel shall have access to lockers, desks, and other District property and shall not be required to have any reasonable suspicion to search lockers, desks, and other District property. In addition, all student vehicles in any District parking lot shall be subject to search at any time. Students are personally responsible for any items found in their lockers, desks, vehicles, book bags, or on their person. If a student is searched and found to be in possession of any dangerous weapons, controlled dangerous substances, intoxicating beverages, low-point beer, wireless communication devices, or missing or stolen property, such items may be taken from the student and preserved, and the student in possession of such items may be disciplined according to applicable law, District Policy, and Administrative Regulation.

In conducting any search authorized by this policy, the District may utilize trained dogs to detect prohibited items. If a dog alerts to a student's locker or vehicle or to a classroom or common area, the area may be searched. If a dog alerts to a locked student vehicle, the student shall be requested to unlock the vehicle's doors and trunk. If the student refuses, the student's parent or guardian shall be notified and requested to unlock the vehicle. If the student's parent or guardian refuses to unlock the vehicle, the District may contact appropriate law enforcement personnel to respond to the issue. The same procedure shall be utilized for searching a student's luggage to be taken on a District-sponsored trip departing from District property.

Parents or guardians will be notified immediately if a search is conducted and if any questioning leads to confirmation that a policy, rule, regulation or law was violated by the student.

Notice to Parents Regarding Directory Information and Military Recruiting

Provisions of the No Child Left Behind Act of 2001 (P.L. No. 107-110), Title IX General Provisions § 9528 and the National Defense Authorization Act of 2002 require high schools to provide to military recruiters, upon request, access to secondary students' directory information unless parents/guardians have "opted out." In accordance with those acts, military recruiters are entitled to receive the name address, and telephone listing of juniors and seniors in high school. If your child is a junior or senior in high school, and you do not wish Putnam City Schools to release your child's name, address and phone number to military recruiters, you may opt-out by notifying your child's school in writing. To opt-out of disclosure of student information to military recruiters, you must provide written notice to the school principal. Parents/guardians may write a letter or use a form available in the school counseling office. **If parent/guardians do not provide written notice, their child's directory information will be released to military recruiters as required by law.**

FIGHTING

It is the goal of Putnam City to make every student feel safe from intimidation or harassment. In an effort to maintain a safe campus, Putnam City has entered into partnerships with Oklahoma City, Warr Acres, and Bethany police departments. It is our

goal to assist students in identifying alternatives to violent, physical confrontations in order to solve a conflict.

The school will continue to use the same administrative procedure in dealing with physical confrontations. Upon completion of the administrative process, the police department will be notified of the situation. The need for charges to be filed will be determined once the campus or municipal officer arrives on the scene and is briefed on the circumstances surrounding the incident. In the event that a student is taken into custody, the arresting officer will determine who should contact the parent &/or guardian.

FREQUENCY OF MARKING

High school report cards are available to students after the end of each semester. Second semester – will be available for pick-up in the main office.) Parents & students can utilize Parent Portal to access current student grades 24/7. For additional information on Parent Portal contact the counseling office. Parents of students who are making a D or below shall be notified.

GRADING SYSTEMS

The grading system is designed to promote continuous evaluation of student performance, communicate progress, and celebrate successes. Printed grade reports are received by each student following the end of the marking periods. These are for the parents' records, and do not have to be returned to the school. Besides the letter grade, each report contains a citizenship grade and the attendance record. The Putnam City grading scales:

A	=	90 - 100
B	=	80 - 89
C	=	70 - 79
D	=	60 - 69
F	=	50-59
I	=	Incomplete
N	=	No Credit

CRITERIA FOR AVERAGING GRADES (9-12)

Comprehensive tests will be given for each transcript grade. Each comprehensive test will count 20% of the transcribed grade for that period. All high school finals will be given the last two days of each semester.

Incomplete. When a grade of incomplete is issued, the incomplete work and timeline for completion should be communicated both verbally and in writing to the student and recorded with the principal. Make-up work shall be graded and credit awarded.

Test Exemptions

High school students with no more than three (3) absences in any given class, and no more than three (3) tardies in any given class are eligible to be exempt from their semester exams. Students must have at least a "B" average in the class of exemption to be eligible. Students who have been suspended, in ISR or have missed one class due to truancy during the semester are not eligible for test exemptions. This exemption/attendance incentive will apply for twelfth

grade. Grades 9th – 11th will be able to earn eligibility for exemptions from 2 finals each semester.

The following absences do not count against the exemption:

School ACT (SACT) or (QACT)(OFF)	Career Tech (VOT)
Religious (REH)	Funeral (FNL) – day of service only
Pre-approved college visit (CVT)	immediate family members

In order to receive exemption status, a student must be within the required number of absences and tardies for each class enrolled in for that semester. All students who earn an exemption status may choose to take the exam without the risk of their average being lowered.

No student, regardless of grade, may be exempt from an exam if they have an unexcused absence or more than three unexcused tardies in any given term. All absences must be verified within 5 school days of occurrence for exemption purposes

An 11th or 12th grade student must attend at least two (2) periods each semester at the high school. Please note the following regulation by the Oklahoma State Board of Education.

“College coursework taken concurrently MAY qualify toward high school graduation credit. Valedictorian

- ♦ Cumulative GPA through the 1st semester of a student's senior year will determine valedictorian status. The top 1% of graduating seniors with the highest weighted GPA will earn valedictorian status. Eligible courses used to determine valedictorian status will be defined as those taken on campus, at Francis Tuttle Technology Center and concurrently during the potential 24.5 credits a student may be enrolled in from the 1st semester of their freshman year through the 1st semester of their senior year.
- ♦ For honor graduates, cumulative GPA through the 1st semester of a student's senior year will be used to determine eligible status.

LAW REQUIRES THAT INCOMING STUDENTS PASS ACE (ACHIEVING CLASSROOM EXCELLENCE) EXAMS TO GET DIPLOMA

In 2005, Oklahoma legislators passed a new state law, Achieving Classroom Excellence (ACE), that launched many new programs and requirements aimed at strengthening Oklahoma schools and insuring that high school graduates master skills to succeed in college and the workplace.

PARTICIPATION IN GRADUATION EXERCISES

For a student to participate in graduation exercises, the following guidelines must be met:

1. All correspondence classes and credit recovery classes must be finished and the final grade documented in the counselors' office by May 1st.
2. Students must meet graduation requirements by the end of the spring term

A student may still receive his/her diploma in the summertime after graduation has been completed. The above information only pertains to graduation exercises.

OKLAHOMA'S PROMISE (HIGHER LEARNING ACCESS PROGRAM)

Applications and detailed information are located in the Counselors' office or online at: <http://www.okhighered.org/ohlap/> or by phone at (405) 225-9100.

Oklahoma's Promise allows eighth-, ninth- or 10th-grade students from families with an income of \$55,000 or less to earn a college tuition scholarship. Students must also meet academic and conduct requirements in high school.

Created in 1992 by the Legislature to help more Oklahoma families send their children to college, Oklahoma's Promise was originally designated as the Oklahoma Higher Learning Access Program. The program is administered by the Oklahoma State Regents for Higher Education.

Student Requirements:

1. The family income of the student's parents may not exceed \$55,000 at the time of enrollment in the eighth-, ninth- or 10th grade.¹ In addition, prior to receiving any program benefit in college, the federal adjusted gross income (AGI) of the student's parents (or the income of the student if the student is officially determined to be financially independent of their parents) may not exceed \$100,000. Each year in college Oklahoma's Promise students will be required to complete a Free Application for Federal Student Aid (FAFSA), which will be used to determine whether the federal adjusted gross income exceeds \$100,000. For any year that the income exceeds \$100,000, the student will not be eligible to receive the program benefit.
2. Take 17 units of [required high school courses](#) to help get ready for college. The Oklahoma's Promise [Curriculum Worksheet](#) (*Excel, 23k*) can help you record your grades and make sure you have taken the right courses. You can also get more [details about what high school courses count toward the Oklahoma's Promise curriculum](#). external link, opens in new window
3. Make a cumulative 2.50 GPA for all courses in grades 9-12.
4. Make a cumulative 2.50 GPA or better in the 17-unit OK Promise core curriculum.²
5. Do your homework.
6. Don't skip school.
7. Don't abuse drugs or alcohol.
8. Don't commit criminal or delinquent acts.
9. Meet with a teacher, counselor or principal to go over your schoolwork and records.
10. Provide information when requested.
11. Apply for other financial aid during your senior year of high school.
12. Take part in Oklahoma's Promise activities that will prepare you for college.
13. The student must be a U.S. citizen or lawfully present in the United States at the time they enroll in college in order to receive the scholarship.

HEALTH SERVICES

If possible, parents are advised to try to give medication at home on a schedule other than during school hours. It is the responsibility of the parent to inform appropriate school personnel of medical conditions of the student and medications that the student is taking that may have an effect on their child's educational success, even if the medications are not taken at school. This information will be kept in confidential health records.

Administration of Medicine

A school nurse, or in the absence of such nurse, an administrator or designated school employees, may administer medicine(s) to students when authorized in writing by the student's parent or guardian as provided by law.

1. General procedures for the administration of medicine:

- ◆ Written authorization must be on file in the school clinic or office before the school nurse or designated school employees may administer any medication to a student. The parent(s) or the person having legal custody or the legal guardian of a minor may sign the authorization form.
- ◆ Each school in which any medicine is given shall keep a record of the name of the student to whom the medicine was administered; the date the medicine was administered, the name of the person who administered the medicine and the type or name of the medicine which was administered.
- ◆ Medicine to be administered shall be kept in the school clinic or office, properly stored and not readily accessible to persons other than the persons who will administer the medication.
- ◆ For incidents of major concern, or questions regarding the administration of any medication, every effort will be made to contact the parent or guardian. The nurse's professional discretion will be used to determine if the administration is in keeping with the health and well being of the student and sound medical practice.

2. Specific procedures for the administration of medicine:

- ◆ It is the responsibility of the parent/guardian having legal custody of the child to provide any medication to be given at school.
- ◆ No controlled substances (such as hydrocodone, percocet, tylenol #3) will be given at school without a specific doctor's order stating the med must be given during school hours.
- ◆ Prescription medicines must be brought to school in the original prescription container labeled with: the date, name of the prescriber, the name of the student, the name and dosage of the medication, directions for administration and the name and phone number of the pharmacy.
- ◆ Sample drugs must be accompanied by a physician's written order, specifying the dosage, the frequency and directions for administration.
- ◆ Non-prescription medicines must be brought to school in an unopened, original manufacturer's container with the original label intact, which supplies the following information: ingredients, expiration date, dosage and frequency, route of administration, i.e. oral, nasal, side effects/contraindications and other directions as appropriate. The medicine must be age and dose appropriate.
- ◆ A new authorization form must be completed for any change in medication.
- ◆ All medication to be given at school must be kept in the school clinic or office, regardless of the student's age. Exceptions are made for asthma inhalers or medication for life-threatening conditions, which may be carried by a student **after** the school receives a letter from the parent/guardian and the physician stating that it is necessary for the medicine to

remain with the student. Authorization must include that the student has been trained and is proficient in self-administration of the prescribed medication. School personnel shall not be responsible for any adverse reaction suffered by the student as a result of self-medication.

- ◆ Non-prescription inhalers for asthma will **not** be given at school.
- ◆ Non-prescription medication that needs to be given daily or longer than the manufacturer's recommendation for use must be accompanied by a physician's written order.
- ◆ Requests from parents/guardians to increase the dosage of any medication beyond that listed on the label will **not** be honored without written confirmation from the physician.
- ◆ Because of the potential for harm to children or teenagers who are suffering from viral illnesses such as influenza, chicken pox or colds – no aspirin or aspirin-type products will be given at school. *
- ◆ In the absence of **either** the written authorization from the parent/guardian, **or** medication in the properly labeled container, no medication will be administered. Every effort will be made to notify the parent/guardian

Use of Crutches and Knee Scooters in School

Due to the danger of using mobility aids in school, if it is necessary that your child use them at school, please inform the school nurse. Your child will need to check in with the school nurse so that accommodations can be made for the safety of your child while using a mobility aid at school.

These accommodations may include an early release pass for leaving class early (5 min.) to avoid crowds in the hallways, elevator keys, and any other accommodation that is necessary. The school does not provide crutches, knee scooters, etc. to students.

Health Screenings

Each year, various health screenings may be done at school. While each school is different in the screenings they do, the following health screenings may be done on the students at your child's school: height, weight, BMI, blood pressure, vision, hearing, and/or dental. If you do **not** want your child screened, please call your child's school and specify which screenings you do not want done on your child. If you **do** want a specific screening done on your child, please call the school and request this.

HOME-SCHOOLED STUDENTS AND PRIVATELY SCHOOLED STUDENTS

The Putnam City School District accepts enrollment of students who have been enrolled in private schools (accredited & non-accredited) and who have been home schooled. A counselor at the site will share enrollment and graduation requirements with the student and his/her parent or guardian. In order to be awarded credit for a course and class placement, the following criteria must be met: Private School (Accredited by Oklahoma Private School Accreditation Commission) - Present transcript from school - Credit will awarded based on completed courses - Class placement will be based on completed years of enrollment - Students will be required to take any End of Instruction (EOI) tests required by law for graduation even if the student has already been awarded credit for the course. - Note: OPSAC is a consortium of private school accrediting associations recognized by the Oklahoma State Department of Education. Private School (Non-Accredited) & Home Schooled - Present transcript, standardized test scores, report cards, portfolio/work samples and additional documentation - Take semester finals of classes listed on transcript or report card. Students must obtain a score of 70% to receive credit for course for Putnam City Schools. Credit awarded will be recorded on transcripts with a passing

mark (P). - Students will be required to take any End of Instruction (EOI) tests required by law for graduation even if the student has already been awarded credit for the course.

IMMUNIZATIONS

Title 70, Section 1210.191, Oklahoma Statutes, 1970 requires that parents or guardians of all minor children in grades kindergarten through 12th for all public, parochial, or private schools in the State of Oklahoma, present a certified copy of required immunizations upon school entry.

◆ The number of doses of PCV and/or Hib may range from 1 to 4 depending on the age of the child when the first dose was given.

◀ If the 3rd dose of IPV/OPV is administered on or after the child's 4th birthday, then the 4th dose of IPV/OPV is not required.

● Children may be complete with 3 or 4 doses of Hib vaccine depending on the brand of vaccine used.

■ Students 11 through 15 years of age who have not received HepB vaccine may receive a 2 dose series of Merck® Adult Hepatitis B vaccine to comply with this requirement. All other children (younger or older) must receive 3 doses of pediatric hepatitis B vaccine.

- The table above lists the vaccines that are required for children to attend childcare, preschool, and kindergarten through twelfth grade in Oklahoma. Additional vaccines may be recommended, but are not required. For example, a 2nd dose of varicella vaccine is

recommended before entering kindergarten, but not required by Oklahoma law.

- **Children attending licensed childcare facilities must be up-to-date for their age for the vaccines listed in the “Childcare” column.** Refer to this web page for information on when doses are due for children attending childcare:
[http://www.ok.gov/health/Disease, Prevention, Preparedness/Immunizations/Vaccines for Childcare/index.html](http://www.ok.gov/health/Disease_Prevention_Preparedness/Immunizations/Vaccines_for_Childcare/index.html).
- **Hib and PCV vaccines are not required for students in pre-school, pre-kindergarten, or kindergarten programs operated by schools unless the facility is a licensed child care facility. They are required for children attending licensed child care facilities.**
- Doses administered 4 days or less, before the minimum intervals or ages, are counted as valid doses.
- The first doses of measles, mumps and rubella (MMR), varicella, and hepatitis A vaccines must be administered on or after the child's first birthday (or within 4 days before the birthday) or they must be repeated.
- For doses given on or after Jan. 1, 2003, the 5th dose of DTaP must be given on or after the 4th birthday (or within 4 days before the 4th birthday). This rule does not apply to doses given before 2003.
- If a parent reports that their child had chickenpox disease, the child is not required to receive varicella vaccine.
- It is not necessary to restart the series of any vaccine if a dose was given late or if a dose is past due because longer than recommended intervals between doses do not affect final immunity.
- **Children may be allowed to attend school and childcare if they have received at least one dose of all the required vaccines due for their age and the next doses are not yet due, but they must complete the remaining doses of vaccine on schedule. These children are “in the process” of receiving immunizations.**

Important Information for Parents About Meningococcal Disease and Meningococcal Vaccines from the Oklahoma State Department of Education and the Oklahoma State Department of Health

What is meningitis?

Meningitis is an infection of the tissue lining and fluid that surround the spinal cord and the brain. Meningitis is usually caused by a virus or a bacterium. Meningitis caused by a virus is

usually less severe and goes away without any special treatment, while meningitis caused by bacteria can be severe and may cause:

- Brain damage,
- Hearing loss,
- Amputation of arms or legs,
- Learning disabilities, or
- Death.

What types of bacteria cause meningitis?

There are several types of bacteria that may cause meningitis, including:

- *Neisseria meningitidis*
- *Streptococcus pneumoniae*,
- Group B streptococcal disease, and
- *Haemophilus influenzae* type B (Hib).

This information sheet will focus on the disease caused by *Neisseria meningitidis* (Nay-sear-e-a men-in-git-itdis), which is rare but especially risky for people of certain ages. Disease caused by *Neisseria meningitidis* is usually referred to as “meningococcal disease” (men-INjo-kok-ul disease). Many persons are exposed to *Neisseria meningitidis* and carry the bacteria in their nose and throat for weeks or months and spread the bacteria to others, but do not become sick themselves. If the meningococcal bacteria invade the body, they may cause a rapidly spreading infection of the blood, lung infection, or meningitis. More information about the other kinds of bacteria that cause meningitis can be found at the web sites listed in the box at the end of this information sheet.

Who is at risk from meningococcal disease?

Babies less than a year old have the highest risk for meningococcal disease, but no vaccine is available for babies. The risk of meningococcal disease increases for teenagers and young adults 15 through age 21 years of age, because of behaviors that spread the disease. On average, two or three people in this age group get meningococcal disease every year in Oklahoma. More than half of these could be prevented by vaccine.

College students, military personnel, and other people living in close quarters or dormitory-style housing have a greater chance of contracting the disease than other persons their age. Other persons at increased risk include smokers or persons frequently exposed to second-hand smoke, those with immune system problems, those without a spleen, or international travelers going to countries where the disease is more common.

How is the disease spread?

The disease is spread by respiratory droplets produced by a person harboring the bacteria and expelled a short distance by laughing, singing, coughing, or sneezing. The bacteria may also be spread by direct contact with the respiratory fluids of someone who is infected. That includes kissing, or sharing a water bottle, food item, cigarettes, lipstick, lip balm, mouth guard or anything an infected person touches with his or her nose or mouth.

Why is meningococcal disease dangerous?

Meningococcal disease is relatively uncommon with about 2,500 people affected every year in the United

States. However, the infection can spread very quickly and 300 of those people die in spite of treatment with antibiotics. Of those who live, about 400 a year lose their arms or legs, become deaf, have problems with their nervous systems, become mentally retarded, or suffer seizures or strokes.

For this reason, it is best to prevent the disease from occurring. Signs and symptoms of meningococcal disease may be confused with other infectious diseases. If your child has symptoms of meningococcal disease, contact your healthcare provider immediately.

Signs and Symptoms of Meningitis

- Headache
- Fever
- Chills
- Stiff neck
- Extreme tiredness
- Vomiting
- Sensitivity to light
- Rash of purplish black-red dots or splotches
- Confusion
- Seizures

How can meningococcal disease be prevented?

Vaccines can prevent approximately two-thirds of the meningococcal disease cases. There are two types of meningococcal vaccine available in the United States (MCV4 and MPSV4) that protect against four of the five most common disease-causing strains of the meningococcal bacteria.

MCV4 stands for meningococcal conjugate vaccine and MPSV4 stands for meningococcal polysaccharide vaccine. Two doses of, MCV4 are recommended for:

- All adolescents 11-18 years of age, and
- Other people at high risk 2 through 55 years of age.

MCV4 should be given to all adolescents at age 11 or 12 years, unless they have received it before. A booster dose is due at age 16 years. For adolescents who receive the first dose at age 13 through 15 years, a onetime booster dose should be given at age 16 through 18 years.

Children 2 years of age and older and adults who are at high risk for meningococcal disease should receive 2 doses spaced 2 months apart. People at high risk include individuals who:

- Do not have a spleen,
- Have terminal complement deficiencies,
- HIV infection, or
- Will be traveling to countries with high rates of meningococcal disease.

Teens and young adults age 16 through 21 years who receive(d) their first dose of MCV at 16 years of age or older do not need a booster dose. MPSV4 protects against the same types of meningococcal bacteria as MCV4 and is indicated for use in adults over 55 years of age who are at risk for meningococcal disease. Teenagers and young adults can also reduce their risk by taking good care of themselves, by eating a balanced diet, getting enough sleep and exercise, as well as avoiding cigarettes and alcohol.

Is this vaccine required to attend school in Oklahoma?

Meningococcal vaccine is required for students who are enrolling for the first time in colleges and post-high school educational programs and who will live in dormitories or on-campus student housing. This vaccine is not required for children in elementary or high school in Oklahoma, even though it is recommended for all adolescents 11 years and older.

Is the meningococcal vaccine safe?

Yes, both types of vaccine are safe; however, there are small risks associated with any vaccine. About half of the people who receive a meningococcal vaccine will have pain and redness where the shot was given, but because the vaccine is not made from the whole bacteria, it cannot cause bloodstream infections or meningitis. A small percentage of people who get the vaccine develop a fever. Vaccines, like all medicines, carry a risk of an allergic reaction, but this risk is very small.

A few cases of Guillain-Barré Syndrome (GBS), a serious nervous system disorder, have been reported among people who received MCV4. However, GBS is such a rare disease that it is not possible right now to tell if the vaccine is a part of the cause or simply due to chance alone because a number of cases of GBS will occur every year even without the use of MCV4 vaccine.

Does the meningococcal vaccine work?

Yes. A single dose of MCV4 meningococcal vaccine protects about 90 percent of the people who are immunized against meningococcal disease caused by types A, C, Y, and W-135. These types cause almost two-thirds of all meningococcal disease among teenagers in the United States. It does not prevent type B, which causes about one third of the cases in teenagers.

Does the meningococcal vaccine prevent all cases of meningitis?

No, it cannot provide protection against other causes of bacterial meningitis or type B meningococcal disease. Scientists have not been able to make a vaccine that will protect against type B.

Where can I get the vaccine for my son or daughter?

If your child has health insurance, you can obtain the meningococcal vaccine from your regular healthcare provider. All county health departments in Oklahoma have the vaccine available at no charge for children 11 through 18 years of age who:

- Have no health insurance,
- Are Medicaid eligible,
- Are Native American, or
- Have health insurance that does not pay for vaccines or does not pay for meningococcal vaccine; and for children 2 through 18 years of age who are at high risk from meningococcal disease.

Where can I find more information?

For more information, contact your healthcare provider or local county health department or visit these web sites:

National Meningitis Association at www.nmaus.org

Centers for Disease Control and Prevention at <http://www.cdc.gov/meningitis/index.htm>

This information sheet was prepared with information obtained from the Oklahoma State Department of Health, the Centers for Disease Control and Prevention, and the Children's Hospital of Philadelphia. (Revised 3-11) Oklahoma State Department of Education

CONCUSSION FACT SHEET FOR PARENTS

WHAT IS A CONCUSSION?

A concussion is a type of traumatic brain injury. Concussions are caused by a bump or blow to the head. Even a "ding," "getting your bell rung," or what seems to be a mild bump or blow to the head can be serious. You can't see a concussion. Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If your child reports any symptoms of concussion, or if you notice the symptoms yourself, seek medical attention right away.

WHAT ARE THE SIGNS AND SYMPTOMS OF CONCUSSION?

If your child has experienced a bump or blow to the head during a game or practice, look for any of the following signs of a concussion: **SYMPTOMS REPORTED BY ATHLETE:** • Headache or "pressure" in head • Nausea or vomiting • Balance problems or dizziness • Double or blurry vision • Sensitivity to light • Sensitivity to noise • Feeling sluggish, hazy, foggy, or groggy • Concentration or memory problems • Confusion • Just not "feeling right" or is "feeling down" **SIGNS OBSERVED BY PARENTS/ GUARDIANS:** • Appears dazed or stunned • Is confused about assignment or position • Forgets an instruction • Is unsure of game, score, or opponent • Moves clumsily • Answers questions slowly • Loses consciousness (even briefly) • Shows mood, behavior, or personality changes

DANGER SIGNS

Be alert for symptoms that worsen over time. Your child or teen should be seen in an emergency department right away if s/he has: • One pupil (the black part in the middle of the eye) larger than the other • Drowsiness or cannot be awakened • A headache that gets worse and does not go away • Weakness, numbness, or decreased coordination • Repeated vomiting or nausea • Slurred speech • Convulsions or seizures • Difficulty recognizing people or places • Increasing confusion, restlessness, or agitation • Unusual behavior • Loss of consciousness (even a brief loss of consciousness should be taken seriously)

WHAT SHOULD YOU DO IF YOU THINK YOUR CHILD HAS A CONCUSSION?

1. **SEEK MEDICAL ATTENTION RIGHT AWAY** A health care professional will be able to decide how serious the concussion is and when it is safe for your child to return to regular activities, including sports. 2. **KEEP YOUR CHILD OUT OF PLAY.** Concussions take time to heal. Don't let your child return to play the day of the injury and until a health care professional says it's OK. Children who return to play too soon - while the brain is still healing - risk a greater chance of having a second concussion. Repeat or later concussions can be very serious. They can cause permanent brain damage, affecting your child for a lifetime. 3. **TELL YOUR CHILD'S COACH ABOUT ANY PREVIOUS CONCUSSION.** Coaches should know if your child had a previous concussion. Your child's coach may not know about a concussion your child received in another sport or activity unless you tell the coach.

HOW CAN YOU HELP YOUR CHILD PREVENT A CONCUSSION OR OTHER SERIOUS BRAIN INJURY?

- Ensure that they follow their coach's rules for safety and the rules of the sport.
- Encourage them to practice good sportsmanship at all times.
- Make sure they wear the right protective equipment for their activity. Protective equipment should fit properly and be well maintained.
- Wearing a helmet is a must to reduce the risk of a serious brain injury or skull fracture.
- However, helmets are not designed to prevent concussions. There is no "concussion-proof" helmet. So, even with a helmet, it is important for kids and teens to avoid hits to the head.

HOW CAN I HELP MY CHILD RETURN TO SCHOOL SAFELY AFTER A CONCUSSION?

Children and teens who return to school after a concussion may need to:

- Take rest breaks as needed
- Spend fewer hours at school
- Be given more time to take tests or complete assignments
- Receive help with schoolwork
- Reduce time spent reading, writing, or on the computer

Talk with your child's teachers, school nurse, coach, speech-language pathologist, or counselor about your child's concussion and symptoms. As your child's symptoms decrease, the extra help or support can be removed gradually.

PROFICIENCY BASED PROMOTION (PBP)

To maximize the academic growth opportunities for students in the Putnam City Schools, the district offers a Proficiency Based Promotion (PBP) program in grades K-12.

In either June or August of the current school year, after completing the PBP application process, student applicants will take a criterion exam appropriate to the curriculum area. If passed at the 90% or higher proficiency level, a student will receive credit and may be promoted to the next level of study. Credit earned in high school level courses will count toward meeting graduation requirements. Credit will be noted on the transcript with a 'P' for pass or with an assigned letter grade based on the preference of the student/parent. No record of unsuccessful attempts at PBP will be maintained in a student's permanent school record.

Guidelines, application procedures, and forms will be available in the Counselor's office at all Putnam City high schools. The deadline for submitting an application for the tests given in June and August is the second Friday in May. Completed applications must be returned to the Counselor's office.

(PBP) exam grades will be accepted from other school districts only under the following conditions:

BUS SAFETY GUIDELINES FOR STUDENTS

School bus transportation is the safest means of over the road transportation in America. Putnam City Schools take pride in their safety record and in the service it provides. Buses are provided for those students who because of distance from the school or health make the service essential. Students and parents should read and understand the following guidelines.

1. All Putnam City District Policies apply to passengers boarding, riding, and departing from Putnam City School buses. Students using or possessing tobacco products, electronic cigarettes, vapes, alcohol, drugs, lasers, and/or weapons will be disciplined according to the District policies.
2. All students must sit properly and safely while on the bus. Students should be sitting on their bottom in the seat facing forward. Students should NEVER be sitting on their knees, turned around facing backward, standing or walking in the aisle, standing on a seat, climbing over or crawling under seats while the bus is moving. Students who cannot follow these safety guidelines create a danger to themselves and will be subject to bus suspension.
3. A parent/guardian should call the Putnam City Transportation Department at 789-3244 when asking for their student to ride another bus to and from school. The parent should call before 1:00 p.m. on the day of the request. Some requests may be denied due to rider capacity of buses. Please do not call the school or write a note for the student to give to the driver when requesting a change in riding procedures.
4. Students are required to use the bus stop nearest their home. Students must be at their bus stop five (5) minutes prior to the scheduled time ready to board. Any student failing to be on time will be responsible for their own transportation to school. Buses cannot return for late students due to time restrictions.
5. Students shall remain back from the roadway while awaiting the arrival of the bus. They should refrain from throwing things or playing at a bus stop.
6. Students shall enter the bus in an orderly fashion and go directly to a seat and remain seated until the destination is reached.
7. Students must keep their hands, arms, and heads inside the bus at all times.
8. Students must keep their hands to themselves and use an inside spoken voice.
9. Bus riders are expected to be courteous to fellow students and the bus driver. **THE BUS DRIVER MUST BE TREATED WITH RESPECT LIKE ANY SCHOOL EMPLOYEE.**
10. Students should never throw any type of object while inside the bus. **IT IS AGAINST THE LAW TO THROW ANY OBJECT FROM A BUS WINDOW.**
11. All articles such as athletic equipment, books, musical instruments, coats, backpacks, etc., must be kept out of the aisle. These items should be held on the student's lap or placed on the floor between the student's feet. Students are **NOT TO SIT** on back packs or musical instrument cases.
12. Students are not to be eating or drinking while riding a bus. Eating and/or drinking while on the bus may result in choking, spilled food, sticky seats and floors, and health violations. **PLEASE WAIT UNTIL YOU ARE OFF THE BUS TO OPEN AND EAT FOOD ITEMS.**
13. Students are not to write on seats, poke holes in seats, spit on the floor, or damage any bus equipment.
14. Students should always check their seating area for books, lunches, phones, purses and other articles that have fallen out on the route. Articles left on the bus will remain on the

bus until the next route occurs. A parent may call the Transportation office to see if property was found on the bus by the driver.

15. Students should do everything to avoid a FIGHT while on the bus. A fight may cause injury to those fighting and endanger the entire bus by distracting the driver. A student should stay on the bus if he/she feels that a fight will occur once they get off at their stop. The driver will keep the student on the bus until it is safe for departure.
16. The emergency door and window latches are for emergency use only. Students must not touch safety equipment on the bus unless there is an emergency.
17. Students must remain on the bus when there is a road emergency. Students must remain on a bus involved in a wreck until released by the nurse and local police.
18. Students who must cross the street at a bus stop shall not do so until they receive a signal from the bus driver. When crossing a street is necessary, it shall always be done in front of the bus, far enough ahead of the bus so that the bus driver may adequately observe them. This means that the student should be able to see the face of the bus driver. The driver shall hold his bus with warning lights flashing until the crossing has been completed.
19. All directions given by the bus driver are to be followed.
20. Flowers, balloons and other party favors are not permitted on the bus because they create vision problems for the driver. Animals such as turtles, lizards, snakes, etc., or insects are not allowed on the bus as they may create a danger for other riders and distractions that may occur.
21. It is against federal regulations for a bus driver to alter their route. Therefore, all students must board and unload at designated stops. Any alternate stops must be approved in advance with the Transportation Office.
22. A regular route driver will make his/her first stop at the designated time as listed on the Putnam City web site under Transportation. All other stops will be made according to route assignments. Bus stop arrival times may be affected by weather, traffic congestion, and/or student discipline problems.
23. We ask that each bus rider sign and return a "Parent/Student Application Form for Transportation Service." This information allows the driver to know who is riding as well as notifying the parent/guardian of all bus policies. The form is handed out at the beginning of each school year by the driver and returned to the driver upon completion.
24. The Putnam City School District operates buses for transportation of its student body based upon the following guidelines:

ELEMENTARY and MIDDLE school students that live farther than one (1) mile from their school are eligible for bus service.

HIGH SCHOOL students that live farther than 1 ½ miles from their school are eligible for bus service.

Students that live within the walk boundary distance are not eligible for bus service.

Violation of bus safety guidelines may result in a student losing his/her privilege to ride ANY school bus. Loss of privileges to ride may include, yet not be limited to, one (1) day, multiple days, or the remaining days of the school year. Safety infractions may also result in other disciplinary action deemed necessary by school officials.

Responsibilities of Parents and Drivers

1. The school bus is considered an extension of the classroom. The Transportation Department has the authority and responsibility for the discipline of all children riding buses.
2. It is the parent's responsibility to discuss with the child the bus safety guidelines and cooperate with district administration. These guidelines should be kept by the parent/guardian for reference during the school year.
3. It is the responsibility of the driver to provide the student with orientation regarding bus safety.
4. Drivers have the authority to enforce all bus rules. Any student refusing to obey these rules may be reported to transportation authorities and may lose bus-riding privileges.
5. If the behavior of the child riding the bus results in a bus suspension, it is the responsibility of the parent/guardian to arrange transportation to and from school until privileges are reinstated.

Bus Discipline Action Plan

The discipline steps listed below are the ones normally followed to correct inappropriate behavior. However, steps may be altered if the behavior requires a more severe disciplinary action.

DRIVER ACTIONS: For minor disruptive misbehavior such as safety violations, name-calling, eating/drinking on the bus, noise distractions, or other inappropriate behavior, the driver/district staff will do the following:

1st Offense: Provide verbal warning by the driver.

2nd Offense: The driver may reassign the student to an assigned seat. Student will be informed how long they will be in the assigned seat. A parent contact form may be filled out by the driver and given to the student for a parent/guardian to sign and return.

3rd Offense: **The Transportation Office will call the parent/guardian, conference with the student at school or by phone, conference with the Principal or other School Staff, review the bus video, or a combination of the above. Disciplinary actions may include bus suspension or other appropriate disciplinary actions. Parent/guardian will be notified of all bus suspensions.**

4th Offense: The above procedures will be followed with disciplinary actions that may include a five day or longer bus suspension. Parent/guardian contact will be made.

5th Offense: A recommendation for the termination of bus-riding privileges may be made to the parent/guardian and school.

MAJOR BEHAVIOR PROBLEMS: BEHAVIORS INCLUDING, YET NOT LIMITED TO FIGHTING, VANDALISM, THROWING OBJECTS IN THE BUS OR OUT BUS WINDOWS, PROFANITY OR OBSCENE GESTURES, DISRESPECT TOWARD THE DRIVER OR OTHER STUDENTS, AND ANY OTHER DISTRACTIONS OR DISRUPTIONS TO A DRIVER CAN AFFECT STUDENT SAFETY AND BYPASS THE STEPS LISTED ABOVE AND RESULT IN BUS SUSPENSION OR TERMINATION.

The Putnam City Transportation Department is located at 7111 N.W. 42nd. Office hours are 6:00 a.m. until 5:00 p.m. The phone number is 789-3244.

Such a search may include, but not be limited to, searching text messages, photos, phone numbers, and e-mails stored in the WTD. The scope of such a search must be reasonably related to the objectives of the search and not excessively intrusive in light of the nature of the infraction.
