

Our Mission

We are preparing Panthers with pride for college, careers, and life!

Parent Involvement Policy

Our Parental Involvement Policy is based upon the belief that supporting partnerships between families and schools is necessary to improve schools and reinforce the importance of student learning. To this end, we define Parent Involvement as the mutual collaboration, support and participation of parents of participating students and school staff in activities and efforts that directly and positively affect the educational progress of children. It is the policy of the Putnam City North High School to collaboratively implement with parents program activities and procedures in an organized, systematic, ongoing, informed and timely manner for the involvement of parents of children who are receiving services. We recognize both the Title I requirements for and the importance of Parental Involvement as one of the essential elements needed to meet the purposes of Title I and the goals and objectives of the district. Therefore, the school's policy will be under constant review and evaluation. School staff and parents are encouraged to modify where necessary to provide the assistance needed to support the academic achievement of our students and school.

Both Putnam City North's, *School- Parent Compact & Parent Involvement Policy* was jointly designed for a more effective way to distribute and communicate with parents of students about the Title I program.

Activities to Build Partnerships and Capacity

- Open House
- Annual Title 1 Meetings
- Parent-Teacher Conferences
- **Parent University:** Learn a variety of techniques to help your child achieve academic success. In addition, parents will have access to literacy, math, science, writing, and ACT prep resources.
- **Parent Resource Center:** The PCN library will be available for parents to access websites, programs, and academic materials that will help students succeed.

PCN Parent Resource Center

Hours:

Wednesday 8:15—8:45am

Tuesday & Thursday 3:10—3:30pm

School-Parent-School Compact – PANTHERS United for Success

Shared responsibility for improved student achievement

As a teacher, I will:

work with students and their families to support students' success:

- Communicate high expectations for every student
- Teach, motivate, and involve students in lessons that are interesting and challenging
- Participate in professional development opportunities that improve teaching and learning skills
- Enforce rules equitably and involve students in creating a warm and caring learning environment in the classroom
- Communicate regularly with students and parents about student's progress in school
- Provide assistance to families on what they can do to support their student's learning
- Participate in shared decision making with other staff and families for the benefit of students
- Respect the school, staff, students, and others culture, religious, and family traditions

As a PCN student, I will:

join the staff to develop ideas about how they can succeed in school both in and out of the classroom:

- Believe that I can learn and will learn
- Read grade level text for at least 30 minutes, five days a week
- Utilize all provided academic resources
- Come to class on time, prepared, and ready to learn, with questions and assignments completed
- Set aside time every day to work on test-taking and ACT strategies
- Adhere to all district, school, classroom rules and procedures
- Follow the school's dress code
- Regularly talk to my parents and teachers about my progress in school
- Respect school, classmates, teachers, staff, and community
- Communicate with parents about school academic assemblies, activities, and sporting events

2018-2019 School Goals are:

1. Prepare students for the Pre-ACT and ACT exams by increasing all subgroup scores by 1.0 point.
2. Increase graduation rate to at least 95%.

Title funds will help to provide interventions, additional resources, staffing, additional courses, and parental materials necessary to aide in student learning as the state of Oklahoma makes a shift to the ACT exam as the graduation required test.

As a parent/guardian, I will:

join the staff to develop ideas about how families can support student success:

- Talk to my child regularly about the value of education
- Use the provided reading materials to work with my student at home
- Attend schoolwide events to learn academic strategies to use at home
- Make sure that my child attends school every day, on time, with supplies, and with homework completed
- Monitor my child's progress in school and communicate with my child's teachers
- Make every effort to attend school events (Parent-Teacher Conferences, Open House, Parent University, etc.)
- Participate in shared decision making with school staff and other families for the benefit of students
- Respect the school, staff, students', and other culture, religion, and family traditions
- Support the school in its efforts to maintain proper discipline and dress code
