March 11, 2018

Dear Junior Parent,

Putnam City North High School will be conducting the state mandated testing to satisfy the State of Oklahoma graduating requirements. All of our juniors will take these tests from April 2nd-12th. The tests include the ACT, the OSTP Science and the OSTP U.S. History tests.

Our juniors will be divided into three groups according to their English teacher and take each test on computers this year. All juniors in Francis Tuttle, concurrent and online classes are required to make arrangements to be at PCN at 7:45am on their designated test date. All testing starts promptly at 8am. The ACT will run continuously into 5th hour with breaks. Students will be released to lunch after the test is completed. The OSTP tests will take all day and will start promptly at 8am with Part 1 of the test, break for lunch and then continue with Part 2 of the test in the afternoon. Once a student starts a test at 8am, they may not be checked out at any time during the day, including lunch. The schedule is as follows:

Group A

- ACT test – April 2nd
- OSTP Science – April 5th
- OSTP U.S. History – April 10th

Group B

- ACT test – April 3rd
- OSTP Science – April 8th
- OSTP U.S. History – April 11th

Group C

- ACT test – April 4th
- OSTP Science – April 9th
- OSTP U.S. History – April 12th

As with any testing, there may be necessary changes, but we will advise your student as soon as we know that they need to be made. As we work through these two weeks of testing, we ask that your student makes sure that he/she is equipped with everything that they need for the tests, including pencils, a calculator (up to TI-84 Plus), adequate sleep, nutrition and hydration. If you have any questions, please feel free to contact us.

Sincerely,

Matt Peters, PCN Counselor Phone: 722-4220 Email: MattP@putnamcityschools.org
