

Parents,

As you know Western Oaks Kitchen facility is currently under construction and will not be in service. During this time Child Nutrition will have limited offerings for both elementary and middle school students. We will still be providing nutritious meals for both breakfast and lunch for all students in attendance. Breakfast will consist of cold options such as cereals, bars, fruit, juice and milk. Hot options will consist of items like sausage, biscuits, gravy and pancake on a stick. Lunch will have a variety of daily hot entrees as well as a choice of sandwich, salad and or wraps. We apologize for any inconvenience and will do everything possible to make sure all students have access to a healthy, hearty nutritious meal during this time. Please feel free to contact the Child Nutrition Office @ 495-0184 should you have questions or concerns.

Sincerely,

Dwane Drake

Director of Child Nutrition
